

Boca Raton Pioneer Club

Newsletter number thirty six

September 26, 2018

Greetings Pioneers !

Our next meeting is scheduled for Saturday, October 13th at the First United Methodist Church, 625 Mizner Blvd., Boca Raton. Lunch will be served at noon. Please RSVP to Maureen Workman at 483-8207 or sanibelgal@comcast.net. At the April meeting we had over 60 people attend. So for planning purposes, we really do need those RSVP's.

We are very excited to have the Executive Director, Mary Czar and the Curator, Susan Gillis from the Boca Raton Historical Society as our speakers. Mary will tell us about the exciting plans underway to update the display space in Old Town Hall. Susan will tell us about the collections of photos, books and information they have gathered. If you have photos or other artifacts that they might want to see, please bring them or a take a photo of them.

We will be having members of the Boca Raton Garden Club displaying their 2018 Christmas ornament as well as a few from previous years. So stop by their table to see all the pretty things you can buy.

For the “**show and tell**” member participation we would like you tell us about your best friend growing up and any adventures you got into, especially if those adventures were in Boca Raton.

As always, to all the new members that joined the club this year. We appreciate your interest and support. If you can come to our meeting we would love to see you. Otherwise, we hope you find this newsletter interesting and informative.
